Re: Notice of Revised System Fuel Percentages
Enable Gathering & Processing, LLC

Dear Gathering Customer,

Effective February 1, 2022 Enable Gathering & Processing, LLC's ("EGP") new gathering system fuel percentages will be as follows:

EGP System Fuel Percentages	
East Zone	0.25% (Unchanged)
West Zone	1.30%

As an EGP customer, please note that if you transport your gas through both the EGP gathering system and Enable Oklahoma Intrastate Transmission, LLC ("EOIT") transmission system, both the gathering system fuel and transmission system fuel rates will apply to your services for the applicable zone(s). EOIT system fuel rates were revised April 1, 2021, as follows:

EOIT System Fuel Percentages	
East Zone	0.94%
West Zone	0.67%

We at EGP strive to provide improved gathering services and to operate the pipeline in a manner mutually beneficial to both parties. If you have any questions or comments, please contact your Commercial Account Manager directly or call (800) 736-8492.

Sincerely,

Enable Gathering & Processing, LLC
